

North Carolina Wildlife Medicine Symposium

at Lees-McRae College

Friday, July 28, 2023

Banner Elk, North Carolina

Earn seven hours of RACE-approved continuing education credit while learning from expert practitioners!

Wildlife will show up, whether you're ready or not! Why not be ready? The North Carolina Wildlife Medicine Symposium is designed to enhance care techniques for veterinarians, veterinary technicians, and staff to best assist injured and orphaned wildlife patients that may come through their doors. Speakers are seasoned experts in the fields of avian, exotic, zoo, and wildlife medicine.

Topics include:

- Tips for the general practitioner
- Anesthesia 101
- Bandaging of common injuries
- Zoonotic diseases that wildlife carry

Cost

Veterinarians and other professionals: \$100

Students: \$50

Register

The early registration deadline is Friday, June 30.

After that date, an additional \$25 fee will be charged.

This program has been approved for 7.0 hours of continuing education credit in jurisdictions that recognize RACE approval. Please contact the AAVSB RACE program if you have any comments/concerns regarding this program's validity or relevancy to the veterinary profession.
